SiNC

2024

IN REVIEW

Support Inclusion in Tech pursues the "Fifth Freedom": a truly inclusive WordPress community.

4/7

Funded applicants came from four continents and the Caribbean.

Mentorship Launched

The program's commencement was with two mentor-mentee pairs, connecting mentors in North America with mentees in Africa.
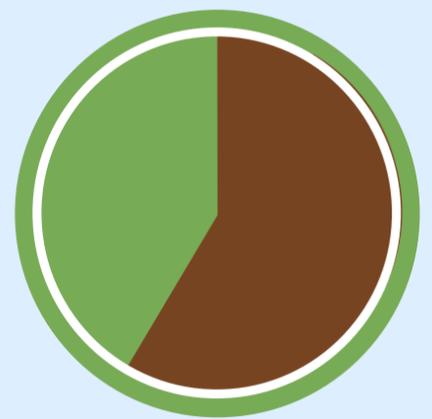

SiiNC 2024 IN REVIEW

Who applied?

59% were women.

41% were men.

60% got funding.

We support as many speaker applicants as funding allows. Every new supporter sends more speakers to more WordCamps.
