

Since 2025 IN REVIEW

Support Inclusion in Tech is
bringing to life a 5th freedom: a
thriving WordPress community
truly open to everyone:

4

Funded contributors
came from Africa, Asia,
Europe and North
America.

4/7

Funded speakers
and organizers
came from four
continents.

20

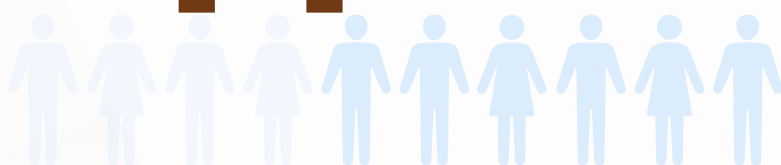

New partners

Kinsta

Siteground

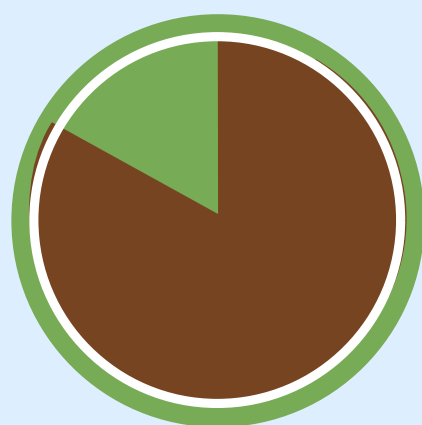

Who applied?

57%
were women.

43%
were men.

86%
got funding.

Despite fewer WordCamps, we successfully funded 86% of applicants with small grants by leveraging Open Collective. To expand our impact by funding more speakers and crucial community organizers—donate to our Open Collective and help us achieve full inclusion.
